DESIGN A PATCH FOR OUR 'BUILD OUR FAMILY' DIGITAL QUILT

Use the template below to create a design on the theme of **family** or **home,** keeping within the hexagon outline.

You could
- draw a picture;
- glue on a collage of images;
- create an abstract image;
- use a digital drawing app such as Procreate or Sketchbook;
- or any other visual method to show your design

& consider
- colours
- shapes
- hobbies
- people
- places, etc.

When you have completed your design, please scan this sheet (in colour @ 300dpi) and upload it to the **adoption@ heart** website. See the **Teacher Toolkit** for the link. The deadline for submissions is **3rd November 2025.**

A single **'digital quilt'** will be compiled from the submitted designs which will be shared digitally and physically at events and online.

Also, please write a sentence or two about what **family** or **home** means to you:
